

ARCHER

GET IN THE GAME become the hunter with an
ARCHER PLATE BOAT

Introducing the next generation in boating *ARCHER PLATE BOATS*

Get in the game and become the hunter in this state of the art offshore fishing machine. The Archer range has been specifically designed for Australia's blue water fishing enthusiasts and features five of the toughest models on the water; the 58 Cabin, 63 Cabin, 68 Cabin, 58 Centre Console and 63 Centre Console.

When you pick an Archer, you're getting the ultimate fishing weapon. All models in the range feature high bow rails, 135 litre kill tank, 65 litre live bait tank, stainless steel rod holders and rolled side decks. Archer Cabin boats come equipped with an extended cabin and super strong rocket launcher, while the Centre Console models come complete with a fishing focussed centre console able to store all your gear and a heavy duty strike chair.

If you want that winning edge on the water, Archer Plate Boats are the answer. Built for maximum strength these models have tough 4mm side sheets and 5mm bottom sheets and feature a welded checker plate self-draining floor and a 20° hull dead rise to carve through the waves and hunt down the perfect catch. 'The Archer performed smartly, smoothly and with terrific agility, a pure pleasure to drive at speed.'

SA Waters & Leisure

'This boat is an impressive unit that will suit anglers looking for a hardcore offshore fishing boat that can double up for the snapper season and crayfish season.'

Neil Grose, Fishing Monthly Magazine

'There are many excellent features of these boats, they are practical, give plenty of work space out the back and offer a soft ride on the water.'

Western Angler, Barry Wiseman
